Dear Alison Hoy,

Thank you for replying on behalf of Mr Simmonette.

I believe my email of 15th July was a request for information and I thought I had thanked you for the copies of the screen prints. If you have not received the thanks then I thank you now.

I am fully aware of what the Local Government Ombudsman had to say and was I waiting to hear from the MP, Anne-Marie Trevelyan, before I complained to them about the Inspector's report.

I have not heard from her, in spite of three reminders, so please copy me the letter that you sent to her.

Yours sincerely

Michael Dawson
