Dear Mr. Dawson,

I note the emails sent to me and copied to me dated 31 January and 24 February.

I confirm that Mr. Harding has now retired from the Council, which is why his email won't be active.

My email dated 19 December 2019 set out my position on this matter. It remains the case that all complaints procedures relating to this matter have been exhausted both internally within the Council and externally.

Kind regards

Nicola
