Dear Mr Dawson

I am writing to you following Ms Hoy's letter to you of 28 August 2018, advising that the contact restrictions which had been imposed on your contact with the Council had been lifted. The letter advised you that we would continue to monitor your contacts with the Council, and should you attempt to resume your historic complaint, that we would take similar action in the future, should the need arise.

Despite this advice, you have emailed again attempting to resurrect the complaint despite having been advised that we will not look at these historic issues. You were also advised that you are free to contact the Ombudsman and make further enquiries of their office, but unless the Council receives formal enquiries from the Ombudsman, we would not look at this further.

You have however continued to email Council Officers and Elected Members, as well as copying to local MP's, Press and your own contacts, on several occasions attempting to initiate further investigations into the historic complaint.

Our records show that you have emailed the Council on many occasions since 28 August 2018; all of your contacts refer in some way to the historic complaint with the UK Docks site. Listed below are contacts since January 2020:

Due to this continuation of unreasonable behaviour and in line with the Council's persistent/unreasonable behaviour policy, we must advise you that we will now impose contact restrictions from immediate effect.

- Any emails you make to officers of the Council regarding this subject, will not be acknowledged or responded to.
- Any complaints you may wish to raise with the Council must be emailed to the Customer Advocacy inbox customer.advocates@southtyneside.gov.uk. Any correspondence to this email address will be monitored weekly.
- Any new issues you raise will be dealt with appropriately, but you will only receive a response to new and substantive points of complaint. Any correspondence that refers to historic issues will not be responded to or acknowledged but will be referred to when reviewing these contact restrictions.

- You should raise any new general enquiries or requests for service such as waste collections, council tax enquiries, with our Customer Contact Centre by telephone on **0191 427 7000**.

I enclose a copy of our Complaints Policy and would refer you to Section 7 on Dealing with Unreasonable Behaviour. In my view, your behaviour is unreasonable because:

- persistent refusal to accept a decision; persistent refusal to accept explanations;
- continuing to contact us without presenting new and relevant information
- Adopting a 'scattergun' approach: pursuing a complaint or complaints with the authority and, at the same time, with a Member of Parliament/a councillor/ independent auditor/the Standards Board/local police/solicitors/the Local Government Ombudsman/the press.

These restrictions will be put in place immediately and will be reviewed in twelve months' time.

Yours sincerely

Paula Abbott
